25 November 2014

Dear Mr Beale,

I am writing to you in connection with your Chartered Institute for Securities & Investment's Continuing Professional Development (CPD) log. I am pleased to be able to offer my congratulations to you on having successfully passed your CPD Audit and met the CPD target for your last CPD year.

In recognition of your achievement, please find enclosed your official end-of-year CPD Certificate. This can be used to illustrate to both your employer and your industry regulator that you have met the CISI's annual CPD requirements and that you have actively taken steps to maintain your professional competence.

On behalf of the CISI, I would like to thank you for choosing to use the CISI CPD Scheme and I hope that you continue to do so throughout your career in the financial services industry. You should now already be once again working towards your CPD target, so I wish you every success for the CPD year ahead.

Yours sincerely – Nikki Longden, CPD Scheme Manager
